

BIBLIOGRAFIA SELECCIONADA DE PARASITOLOGIA (*)

(*Selected References on Parasitology*).

Dividiremos este estudio en las siguientes Secciones:

A)—GENERAL. (*General*) (Textos que consideran toda la materia).

B) INMUNOLOGIA. (*Immunology*). Sólo los Textos. (Only text books). "210 selected references on Immunity to animal parasites with special reference to Helminthes", será publicado en la Revista de la Facultad de Puerto Rico. (Will be published by the Puerto Rico Journal of Public Health and Tropical Medicine).

C)—HISTORIA. (*History*).

D)—PROTOZOLOGIA. (*Protozoology*).

E)—HELMINTOLOGIA. (*Helminthology*).

F)—ANTIHELMINTICOS. (*Treatment of Helminthiasis*).

G)—ENTOMOLOGIA. (*Entomology*).

H)—VARIOS. "TECNICAS Y METODOS DE LABORATORIO". (Laboratory y Methods and Technic). Libros dedicados a varias ramas de la medicina, útiles en estudios de Parasitología.

GENERAL.—(Orden alfabético de Autores). (Alphabetical order).

American Authors. (27).—1944. Clinical Tropical Medicine. Hoeber Inc. New York. London.

Belding, David L.—1942. Textbook of Clinical Parasitology. Appleton-Century.

Blacklock, D. B. and Touthwell, T.—1941. A guide to Human Parasitology for Medical Practitioners. 4th. Edit. Williams and Wilkins.

Brumpt, Emile.—1936. Précis de Parasitologie. 2 vols. Masson.

Cable, Raymond M.—1943. An illustrated Laboratory Manual on Parasitology. Burgess Pub.

Cameron, T. W. M.—1940. The Parasites of Man in Temperate Climates. Univ. Toronto Press.
